NELF Third Annual Ian Oppenheim "WOW" Program

January 19-20, 2012

**Brainstorm, network, and
exchange ideas with Elder and
Special Needs Law attorneys
from across the country.**

*"I want to congratulate the organizers
and participants in last weekend's
Unprogram. It was fantastic!*

*After attending for at least five years,
I thought I knew everything I could learn
from this gathering, but I was definitely
wrong. This year I carried back to the office
more ideas and information on marketing
and client strategies than ever! ... The
networking with lawyers throughout the
country with better ideas on how to cope
with DRA, Trusts, technology, every subject
of interest I had. And the camaraderie
[was] reassuring.*

Great job!"

What Is the UnProgram?

This is your program. It's about you and what you want to get out of the program. This is an opportunity to spend a long weekend with NAELA members from across the country. Don't miss three days of brainstorming, networking, exchanging ideas/forms, gathering and sharing substantive information on your area of practice.

Who Should Attend?

YOU, the participant, determine the UnProgram schedule and sessions. There is no "program," and there are no prepared presentations; the participants determine speakers and topics. This is your chance to find out how your colleagues are facing the same challenges you are! Improve how you practice the law and how you run your practice.

Facilitators

You do not need to be the expert to facilitate good discussion. All registrants could be assigned to facilitate. Keep in mind it is not your responsibility to teach but rather to guide discussions. Your position as a facilitator will give your comments added impact, so let others take the lead.

UnProgram Online Networking

NAELA is connecting you to our new Online Communities for the 2012 UnProgram. This feature is the latest way for you to stay in touch with all the activities and updates for the UnProgram. The community features forums, blogs, wikis, a document exchange library, and participant directory for UnProgram registrants only. **You will have the opportunity to formulate discussion topics up to the last minute!**

Fact Scenarios

This year the UnProgram will include development of fact scenarios for group discussion and solutions on hot topics that affect Elder and

Special Needs Law Attorneys. These scenarios will be posted during the weekend for review and then discussed (during lunch Saturday and closing session Sunday) so every attendee will walk away with solutions to each scenario.

Third Annual Ian Oppenheim WOW Program

The National Elder Law Foundation is hosting the best WOW Program yet offered. This year's program gives you the unique opportunity to learn and interact with three nationally recognized experts in their fields and interact with fellow CELAs in an informal UnProgram. This year NELF is offering a one-time opportunity for a limited number of non-CELAs to participate in the program (subject to space availability). To register and for more information contact Lori Barbee, NELF Executive Director, lori@nelf.org or 520-881-1076.

The NELF WOW program is scheduled to begin at 9:00 a.m. on Thursday, January 19, and runs through noon on Friday, January 20. This program is intended to dovetail with NAELA's 2012 UnProgram which immediately begins following the program on Friday and runs until Sunday, January 22.
